TRANSLATE: *Pajonal (When the uncultivated plants grew up at Andean mountains).

HARAWI Perhaps was my mother a *Vicuña*?
Perhaps was my father a *Taruka*?
For I get riding lonely around the world,
Very poor, given up for ever.

WAYNO I.

Pajonal. Why do you cry So Sad?
If the Sun embraces to you,
If the Wind kiss to you.

II.

Perhaps you're like me?
I am lonely in the world,
Whitout my mother, without my father.
